WOMEN'S LACROSSE

1994 SEASON OUTLOOK

Entering her seventh year as head coach with Salisbury State University women's lacrosse, **Dawn Chamberlin** is upbeat when speaking of the depth and potential of her 1994 Sea Gull team.

"There's lots of competition at all positions," said Chamberlin. "We've got lots of depth and we'll play a lot of people this season. The players have a great attitude and they want to succeed."

SSU's deepest area may well be the attack unit. Record-setting scorer **Flossy Owens** heads a list of four returnees who tallied at least 10 goals in 1993. Owens, a first-team all-South Region selectee and the team's MVP last year, set a new Sea Gull record with 49 goals in '93. Her 96 career goals places her third on SSU's all-time list, with a good shot at moving into first place (128 goals) by season's end.

Three freshmen—**Candice Blanchette, Shannon Cordell** and **Susan Fatz**—appear to be the other keys on attack this season. Chamberlin has been impressed with the skills displayed by all three throughout the preseason.

Senior **Kris Hart** and junior **Crissy Fellona** highlight an experienced midfield unit. Hart, voted last year's Most Improved Player, finished with 11 goals and 14 points for the year. Fellona was second to Owens in goals (13) and points (22). Freshman **Renee Kretkowski** could provide additional midfield scoring.

Junior **Cindy Hudson** and transfer **Nicole Clark** appear to be the mainstays among the defensive middies. Returnees **Catina Campbell** and **Cindy Bowser** will also see plenty of action.

Senior **Jenny Shelley** returns as the anchor of the defense. Shelley earned all-region honorable mention status in 1993 after a productive season in which she also scored 10 goals and tallied six assists. Sophomore **Julie Summersgill** is the other experienced returnee on defense. Freshmen **Kim Smith** and **Joni Jacobs** are likely to see extensive duty as well.

Sophomore **Shawna Block** returns in goal after starting all 12 games last year. Block averaged 15.8 saves/game while also recording the second highest single-season save total in school history (190).

Despite finishing 5-7 overall last year, SSU closed strong by winning three of its final four. Chamberlin thinks that success will carry over into 1994.

"I sense a new enthusiasm from the players this season," she said. "I think there's a hunger from last year. They know that if they work hard, they can accomplish some nice things this season."

HEAD COACH DAWN CHAMBERLIN

Now in her seventh season as head coach of the Salisbury State University women's lacrosse program, Dawn Chamberlin has brought both stability and success to the Sea Gulls. Under her leadership, the Sea Gulls have captured two Maryland State Championships and a finish as the state runner-up. Although the state tournament is no longer contested, Chamberlin faces the challenge of guiding the Gulls in their new domain, the Capital Athletic Conference.

Chamberlin's squads are characterized by a hard-working attitude and a desire to excel. "My coaching philosophy stresses many intangibles that I want my teams to exhibit," she said. "Commitment, dedication and enthusiasm, coupled with having fun out on the field, are all very important."

Chamberlin, who also coaches the highly successful SSU women's field hockey team, is a 1985 graduate of the University of Iowa, where she was a four-year letter winner on the Hawkeyes' field hockey team.

While at Iowa, Chamberlin received the Women's Intercollegiate Athletic Academic Award and the Physical Education Academic Achievement Award, noting excellence in academics as well as athletics. She earned her Master's of Education from Salisbury State in 1987. Chamberlin also serves as SSU's senior women's administrator and teaches in the Department of Physical Education.

Chamberlin will be assisted in 1994 by a trio of coaches. Carolyn Hyman and Tara Savage will help coach the position players while Michelle Dean will assist primarily with the goalies.

SSU JOINS CAPITAL ATHLETIC CONFERENCE

Salisbury State University became the eighth member of the Capital Athletic Conference on June 10, 1993, joining Catholic, Gallaudet, Goucher, Mary Washington, Marymount, St. Mary's and York. The Sea Gulls will be eligible for the CAC's women's lacrosse championship beginning with the 1995 spring season.

SALISBURY STATE UNIVERSITY

A Reputation for Excellence

"Best Buy" in Public Education. "Smiles abound as the . . . school's endowment and reputation soar," said *The Baltimore Sun* in a front page story. *Money* magazine ranked SSU a national "best buy" in public education.

Applications triple. For 15 straight years the number of applications here has increased, countering national trends. This fall the campus received over 4,000 applications for 650 openings.

SATs up nearly 200 points. In the same time period, SAT scores rose to among the highest in Maryland's public university system. The average 1993 freshman at SSU has well over 1000 on the SATs and a better than B average in high school.

$45 million investment in buildings and grounds. Splendid new architecture and a beautifully landscaped campus in the heart of Maryland's Eastern Shore have made us one of the Mid-Atlantic's most attractive universities.

Highest endowed four-year public comprehensive university in Maryland. SSU's $10 million plus endowment means more scholarships, student travel and research funds, and more visiting scholars and artists' programs. The University has been listed in an exclusive group of 300 schools with the largest endowments for their size.
